

Rotary Youth Exchange in Western Australia Fact Sheet

Objectives of the Exchange Program

The Rotary Youth Exchange Program generally provides for the selection and sponsorship of students in the **15 to 18 age** group to travel to another country to spend twelve months attending a secondary school and living with host families in that country.

Objectives of the Program

1. To further international goodwill and understanding by enabling students at first hand to study some of the problems and accomplishments of people in lands other than their own.
2. To enable students to advance their education by studying for a year in an environment entirely different from their own and undertaking study courses and subjects not normally available to them in secondary schools of their own country.
3. To broaden their own outlook by learning to live with and meet people of different cultures, creeds and colours from their own, and having to cope with day to day problems in an environment completely different from the one they have experienced at home.
4. To act as Ambassadors for their own country by addressing Rotary Clubs, Community organisations and Youth Groups in their host country and by imparting as much knowledge as they can of their own country and its problems to the people they meet during their year abroad.
5. To study and observe all facets of life and culture in the country where they are hosted so that on their return to their home country they can pass on the knowledge they have gained by addressing Rotary Clubs, Youth Groups and Community organisations.

Obligations of Students

1. Students are expected to obey the laws of the host country at all times, and accept discipline of the host school and the host parents. Students are expected to adapt to the home environment of the host families - the host families are under no obligation to adapt themselves to the student.
2. The student is an Ambassador for Australia and must at all times behave in a manner which will reflect credit on his or her family, community and country.

Obligations of Parents

This charge will cover the cost of transport for the student (including visas, and airport departure taxes, but not including passports) to and from the host country. It covers the cost of a comprehensive Travel Insurance Policy, as required by Rotary International. This is a policy specifically arranged for the exchange program by Rotary Youth Exchange Australia. Also covered are items of Rotary Youth Exchange paraphernalia and accessories.
2. In addition, parents will need to provide clothing for the student while abroad, and sufficient funds for day to day personal spending and any additional travel and/or tours. Parents must provide and maintain an emergency fund of \$500. Any unused portion of this fund will be returned to the student at the completion of the exchange.
